

Communication From PBA Virtual Spirit Week, 04.27.20 – 05.01.20

Hello PBA Families! This message is for PBA Elementary families. PBA's 'Spirit Week' is going digital! We are excited to announce PBA's virtual SPIRIT WEEK, April 27th – May 1st! This is how it will work. Each day has a different theme. Everyone participates in the day's theme and then sends their Spirit Day pictures and videos to blifter@palmbayacademy.org. With parent approval, we will post them on our Facebook and Instagram pages. The attached flyer details the virtual activities for each day. The PBA Spirit Week virtual themes are...

Motivational Monday - show us how you get active
Let's Get Crafty Tuesday - show off your imagination and creativity
Wacky Wednesday – let's see your wacky dress up side
Thirsty for Knowledge Thursday - what do you love best about digital learning
Friday's PBA Spirit Parade (not a virtual event)

Friday's Spirit Parade is not virtual. We will hold the parade at the Middle School campus on May 1st. Cars will be let through the gates starting at 6:30 pm. Families will remain in the cars and drive around the car loop. All social distancing guidelines will be followed. Make posters, bring noise makers, crank up your radio, and decorate your car. Show us your PBA pride!!

NOTE: All cars coming through will maintain a safe distance. No one will be allowed through that is NOT in a vehicle and everyone must remain in their vehicles.

We hope everyone has fun showing off their PBA Spirit Week pride and we'll see you at the parade on Friday, May 1st! Thank you and stay safe.
