## Attention Parents/Guardians and Students

Due to property damages incurred in recent years, we are asking that parents review proper behavior of students during school functions, including the Father Daughter Dance.

**Running, shoving, and fighting are unacceptable and not permitted.**

Students will not stand on furniture or hang on bathroom doors.

Students will not touch, tear down or otherwise abuse doorway, table and/or wall decorations.

Students will not in any way touch or attempt to operate DJ/Band equipment.

Any damage to any equipment or property will be the responsibility of the student and his/her parent/guardian.

**Failure to follow the rules will result in the removal from the dance.**

*All school rules apply and include but are not limited to the above.*
