Habit # 4: Think Win-Win

Think Win-Win is the belief that everyone can win. It's not me or you—it is both of us. It is a belief that there are enough good things for everyone; it is an abundant way of thinking. Think Win-Win is being happy for others when good things happen to them. As a parent, not everything is negotiable, but if you go into discussions with your child with a win-win mindset, you'll find a lot less resistance.

Everyone Can Win!

I balance courage for getting what I want with consideration for what others want. I make deposits in others' Emotional Bank Accounts.

When conflicts arise, I look for Third Alternatives.
