RE: Ambassador Student Leadership Team

To PBA Middle School Students:

Students are key stakeholders in our school community. Student voice is crucial to the success or failure of a school. That's why I am personally inviting you to join the Ambassador Student Leadership Team (ASLT) for what I believe will be an incredible, fun, and rewarding leadership opportunity.

This PBAMS system of leadership is designed to create a strong connection within our entire school community. In addition, being a Leadership Team Member will afford you the opportunity to use the skills you learn in class, gain practical experience, expand your leadership skills, and give back to the community.

As a member of the Ambassador Student Leadership Team, you will...

- Have an important say in how to improve and maintain a positive school culture
- Establish a strong relationship between students and administration
- Provide input on school issues that may impact school culture and advise the Director throughout the school year by sharing your perspective of school
- Participate in school-wide events held throughout the year
- Work from a student's perspective to communicate and facilitate action towards solving school issues.
- Represent the student body's voice to the Director

This team will be comprised of students from Grades 6 through 8. It's easy to apply to be a Team Member...

- Fill out the Ambassador Student Leadership Team Application.
- Complete the Ambassador Student Leadership Team Questionnaire.
- Hand in the application and questionnaire with your resume to the Middle School Administrative Office.
- Be prepared with two letters of reference to bring with you to your interview

I look forward to hearing from all you leaders out there!

Dare to be great!
